HAMMAM TURKISH SOAP TREATMENT

60 min £195

Inspired by traditional Hammams in Istanbul. Warm water is poured over your body while you warm up in the private steam chamber. With your skin now beautiful and soft, you receive an exfoliation with a Turkish scrubbing mitt (*kese*). The central aspects of this ritual are our Turkish soap and a cotton pouch called *torba*. With both, your therapist produces a luxurious silky foam and envelopes you in it from top to toe. The foam is massaged into your skin with deep and slow strokes. A hydrating honey and milk mask for the body and nourishing argan oil for your hair complete this absolutely wonderful experience, leaving you feeling revitalised, nourished and relaxed at the same time.

HAMMAM MOROCCAN SOAP TREATMENT

60 min £195

This luxurious treatment will leave you rosy-cheeked and feeling refreshed. Begin reclined on the warm marble bench as your therapist pampers you with a deeply cleansing olive soap treatment for the body. Using authentic Moroccan products, a thorough and renewing sugar peel infused with orange peel and sesame oil ensures the entire body is awakened. An exfoliating face balm with almond grains buffs away impurities while a cream mask with argan oil and almond milk nourishes your hair. Your journey concludes with an application of argan oil on your body to leave your skin hydrated and soft.

This treatment can be expanded into our Top to Toe Indulgence.

HAMMAM TOP TO TOE INDULGENCE

120 min. £295

Your argan oil application is replaced with gentle stretches designed to leave your body energised. After which your journey continues into one of our treatment rooms for a purifying facial. Spa garden treatments

Get truly grounded with these experiences that go beyond the treatment room. Your therapist starts your experience by inviting you on a barefoot stroll through our medieval herbal garden.
