CYDER FLIGHT

125ml glass of each Single Variety cyder £6.5

No. 1 Kingston Black – The King of apples

The Kingston Black apple is known as the 'King of Apples' due to its perfect blend, not too acidic, not too much tannin, not too sweet. This is dry, fragrant and light. The apple comes originally from Kingston St.Mary's which is just 4 miles north of Taunton. 6.1% abv

No. 2 Dabinett – The classic Somerset cyder apple

Used extensively in all cyder blends, it is a bittersweet apple and this is a classic medium cyder. Greg and the team have started aging the cyder in oak barrels that you can see in the Cyder Press next to the Cyder Bar. 6.5% abv

No. 3 Yarlington Mill – First found across the road

First found growing by The Stags Head in Yarlington, across the road and now a world-renowned apple. This is a sweet cyder, rich with tannin. As you drink the cyder it dries your mouth, like a red wine. Unusual for a cyder to do. 5% abv
