

*The Great Garden Escape  
Chelsea Experience*

Monday 23 May – Thursday 26 May 2022

# *The Great Garden Escape*

## *Chelsea Experience*

Join us in Somerset this spring for a very special stay as we celebrate our inaugural partnership with the RHS Chelsea Flower Show, from £4,500 for 3-nights.

### *Escape to the Chelsea Flower Show*

Embark on a First Class, fully hosted day trip as we whisk you from Somerset to London and back (the reverse of our Great Garden Escape!) for a day of exclusive access at the RHS Chelsea Flower Show 2022. Enjoy specialist tours of the show's horticultural highlights on Member's Day, sip cyder in the sunshine with our Cellar Master Greg Carnell, and savour the best of The Newt in Somerset hospitality as our VIP guests before we return you to the West Country to sink into the comfort of our hotel.

### *Indulge in Splendid Slumber*

Stay with us for three nights in Hadspen House or beyond the orchards at the Farmyard. Slip into pure cotton sheets and rest your weary head in our sumptuous beds. Complimentary larders are stocked with the finest teas, cyder and apple juice for when you awake from your slumber.

### *Feast on the Bounty of our Estate*

Enjoy an evening of welcome cocktails and canapés followed by a vegetable-led dinner of seasonal fare by The Botanical Rooms Head Chef Ben Champkin, celebrating what is grown in our gardens. In the glass-walled Garden Café, looking to the horizon for far reaching views over the gardens and orchards below. Graze on wood-fired sharing plates served up by Chef Tom Parnell-Ross in the Farmyard Kitchen, accompanied by something special from the House Cellar. Inspired by and gathered from your surroundings, enjoy elegant seasonal dishes in The Botanical Rooms, as Chef Ben Champkin invites you to feast on estate vegetables, the choicest cuts from the salt room and day boat fish from the Dorset coast.

# *The Great Garden Escape*

## *Chelsea Experience*

### *Relax and Revitalise*

Unwind in the spa, steam room, sauna and treatment rooms. Dive into our swimming pools. Work up a sweat in the Gym while watching the gardeners tending to vegetables. Reconnect in the Medieval Herb Garden, sit for a manicure, get some added stress relief through couples' mud therapy, or enjoy a proper washdown in the hammam.

### *Bespoke Experiences*

In addition to our estate activities and daily tours, enjoy a number of bespoke experiences with our experts. Delve into the fascinating life of our pollinators on a Bee Safari, exploring our hives and colonies and learning all about the secret and properties of nature's liquid gold, led by our Beekeepers. Be transported from our House Cellar to vineyards around the world with a member of our expert wine team.

### *More than Just a Stay*

Watch the landscape change throughout the year, and return to our gardens, orchards, farmland and forests as many times as you would like; making the most of your 12-month Newt Membership and everything it has to offer - all of which is included as part of your stay.
