BEES & HONEY

We like to think that our bees are alchemists, their honey magic. Spend the day with our Head Beekeeper, Paula Carnell, delving into the fascinating life of bees, exploring our hives and colonies and learning all about the secret benefits and magical properties of nature's liquid gold with exclusive tours, talks and tastings.

HISTORY & HERITAGE

Friday 19 & Saturday 20 August

Nestled in the heart of the West Country, we are inspired by the land beneath our feet and the history and traditions of Somerset. From our Gardens sculpted by thousands of years of horticultural history to the stories of Arthurian legend which still sweep through the trees, step back in time and enjoy a day discovering the tales, tastes and traditions which influence and shape our Estate.

HARVEST

Friday 23 & Saturday 24 September

Harvest is one of our most abundant times of year on the Estate when the fruits of our land and labour are ripe for picking. Join us this September for our final Great Garden Escape of the season as we celebrate the hard work of our Gardeners throughout the year with joyful celebrations. Delight in the comfort of nourishing fare; enjoy orchard tours and explore our overflowing ornamental gardens.
