THE CREAMERY

Welcome to The Creamery, a dairy and station café serving hearty British food and a range of traditional soft cheese and yoghurt using fresh milk from the estate's herd of water buffalo. Our first venture outside of The Newt in Somerset gardens, The Creamery celebrates the golden age of the Great British railway.

FROM FARM TO FORK

Our daily ingredients come fresh from the Market Garden, Bakery and Butchery at The Newt, accompanied by the finest cyders. From our gardens and farm to our fields and orchards, everything we produce is rooted in the Somerset landscape.
