The Bar

Our team of passionate bartenders create wonderful cocktails using estate foraged and grown ingredients and waste from our kitchens and gardens.

We have looked towards our environmental credentials by using British producers and considering the sustainable nature of the products that we use, including listing companies that are B Corp and Eco Spirit registered, not forgetting many others who are climate positive and all doing their bit.

“The earth is what we all have in common.” – Wendell Berry

The Newt. Cold fermented slowly. The result is a super-fresh cyder that delivers

a crisp, clean mouthfeel.

GLENFIDDICH 30YR

Time is often believed to be an irrefutable force. The seconds, minutes, hours, fleeting figures of a clockface, slip steadily away. But in the hands of a Maverick, time stands still. This is something Glenfiddich's Master distiller understands implicitly. Thirty years ago, he laid down the spirit to create an exemplary single malt. After three decades of patient maturation, the decisive moment arrived.

Glenfiddich 30 is the pinnacle of this process.

Nose: green apples, toffee, butterscotch and sherbert.

Palate: deep warm dried fruits, raisin, spice, enveloped in a warm rich oak finish.
